

T50

Endurance Walking / Rehab Treadmill

T50

Endurance Walking / Rehab Treadmill

Featuring full length thick hand rails for both safety and support. Each rail is fully padded and is a full 2 inches thick thus adding an extra level of comfort. Any user will find the T50 easy to access with its belt wide rear entry ramp and 17.75" x 51" orthopedic walking belt. The high torque motor has been tuned to meet the needs of today's seniors and is capable of moving a load from 0.1 mph to 5 mph in 0.1 mph increments.

Dimensions: 53.5"H x 77"L x 29.5"W
